

ADD MORE EXPRESS LANES WITH THE DELL™ POWEREDGE™ R730XD*

Powered by Intel® Xeon® E5-2690 v3 processors

18X 1.8" SSDs

8X 3.5" HDDs

vs

3X the SSDs

More SSDs powered by Intel help you handle important workloads, now and in the future. And having that much additional storage is like adding Express Checkout lanes for your customers.

BETTER RESPONSE TIMES

USER RESPONSE TIME

Waiting too long while an application sends or retrieves data can lead to abandoned or cancelled orders.

24.6%
better

DISK RESPONSE TIME

This shorter disk-system response time speaks to how well the R730xd handles order processing.

93.1%
better
