

Features healthcare professionals need.

The Dell™ Venue™ 8 Pro powered by Intel® offered features for everyday healthcare tasks that the Apple® iPad mini™ 2 could not provide.

	3/25/2013 3:30 AM	3/24/2013 3:01 AM	3/23/2013 4:01 AM	3/22/2013 2:01 PM
ARTERIAL BLOOD GASES				
Base excess (-2.5 to +2.5 mmol/L)	+1.0	-1.2	-2.8 H	+1.2
Oxygen saturation (95-100 %)	92.7 L	95.0	97.2	94.6
CLINICAL ORDERS				
CO2 partial pressure (kPa) (3.7-5.7 kPa)	6.5 H	6.0 H	5.3	5.6
COAGING				
pH value (7.35-7.45)	7.37	8.1 H	7.38	7.42
Oxygen (9-13.9 kPa)	9.2	7.38 L	8.9 L	9.0
PATIENT DATA				
Standard deviation (20/28 mmol/L)	27.0	27.6	25.5	25.2
PROGRESS NOTES				
ELECTROLYTES				
Sodium (135-145 mEq/L)	145.5	142.0	139.2	
Potassium (3.5-5.0 mmol/L)	4.1	3.9 L	3.0	
HEMATOLOGY				
Hydroxygale count (x10 ⁹ -4.90 billion/L)	4.51	4.2	4.2	
Leucocyte count (x10 ⁹ -10.8 billion/L)	7.4	6.5	6	

Create tasks with speech-to-text*

Print documents*

Organize workflow with multiple dashboards†

Save Office documents as PDF files

Search for patients from anywhere†

microSD™ slot for removable storage

Encrypt Office documents with a password

Pin tasks to start screen for easy-access notifications*

View multiple apps simultaneously

Windows® semantic zoom

✓ The Venue 8 Pro provided all of these features. ✗ The iPad mini 2 provided none of these features.
